# WEB BOUTIQUES OFFERS YOU AN OUSTANDING OPPORTUNITY TO CREATE YOUR OWN SUCCESSFUL WEB SOLUTIONS AND TRAINING BUSINESS...

Why go through the pain of trying to start a new business on your own when you can join the Web Boutiques team, and instantly have years of experience behind you, a portfolio of hundreds of websites, dozens of testimonials and a proven product range making selling easy.

## **How big is your market?**

**With over 4 million SME's in the UK alone the potential for growth is vast.** Every company needs an effective website to create sales because it is one of the most cost-effective forms of marketing - the web is the first place people look for business. Therefore every company is a potential client. Huge numbers of companies have old, ugly or underperforming websites which need replacing. Even companies who have recent "static" websites which they cannot update themselves are a sales opportunity. Web Boutiques provide clients with fantastic feature-rich web solutions and also provide in-depth training to maximise their return on investment.

## **How will I make money?**

By following the WebBoutiques proven marketing model, we will show you how to develop client relationships and create a successful network in your area.

By simply introducing WebBoutiques to eight businesses a month you can realistically expect to earn over £50,000 p/a in year one. And with expected earnings In year two of over £70,000 p/a.

Each web solution sale produces residual income for your franchise.

There are then training courses and numerous other products & services which can be up-sold/re-sold as your retained client base builds.

## **Why do businesses chose Web Boutiques solutions?**

As an established Web Solutions provider Web Boutiques have their own state-of-the-art system which provides businesses with great value, visually stunning, high performing, feature rich, fixed price web solutions which they can easily update and manage themselves.

## **What do Web Boutiques clients have to say about their solutions?**

"Web boutiques have proven to be one of our best marketing investments to date" Great Guns Marketing - "We just wanted to say how much the web site has contributed to the success of our nurseries this year" Willow Cottage Nursery - "You have exceeded our expectations. Both your attention to detail and understanding on what we required, shows through in the design of our website" NetOpSys - "We now have a Web Boutiques solution and it is the best thing since sliced bread" Beyond Physio - "It's difficult to find such high levels of service in a me-first business culture these days" Jizaro Ltd
